**AGREEMENT AND DECLARATION OF COVENANTS, CONDITIONS AND RESTRICTIONS**

**RANDALL S. HANSEN AND JODY ANN HANSEN**

**(HISTORIC PRESERVATION FUND GRANT)**

THIS AGREEMENT AND DECLARATION OF COVENANTS, CONDITIONS AND RESTRICTIONS is made and entered into this 17th day of March, 2016, by RANDALL S. HANSEN and JODY ANN HANSEN, husband and wife as joint tenants ("Grantees") and the CITY OF RIVERSIDE, a California charter city and municipal corporation ("City"), with reference to the following facts:

A. Grantees are the fee owner of the real property in the City of Riverside, County of Riverside, State of California, located at 5809 Brockton Avenue, Assessor's Parcel Number 218-192-026 (the "Property," legally described in Exhibit "A," attached hereto and incorporated within).

B. Grantees applied for a Historic Preservation Fund ("HPF") grant in order to perform a certain project (the "Project") for the conservation, preservation, restoration, or rehabilitation of a Cultural Resource consistent with the purposes of Riverside Municipal Code section 20.30.030.

C. The Historic Preservation Fund Committee reviewed the Project according to the criteria and selection process for evaluating applications and approved an award of Twenty-five Thousand Dollars (\$25,000) to reroof the single-family residence in exchange for this Agreement and Declaration of Covenants, Conditions and Restrictions ("Agreement").

D. In order to conserve, preserve, restore, or rehabilitate a Cultural Resource within the City, the City and Grantees desire to enter into this Agreement, which guarantees performance of the Project and places certain restrictions on the exterior property to ensure its continued maintenance.

C/A-1330

E. Riverside Municipal Code section 20.30.030 requires that this Agreement, and its obligations, shall run with the land and be binding on future owners, and must be recorded with the County Recorder before any funds may be released.

F. Grantees desire to fulfill their obligations under the Agreement, and to put future owners on notice of the Agreement, so that the purposes of the Grant, and the terms of the Agreement, shall be effectuated in perpetuity.

NOW, THEREFORE, Grantees and City hereby agree as follows:

1. **Disbursement of Grant Funds.** Grant funds shall be disbursed after Project work has been completed. To receive Grant funds, Grantees shall have completed the Project, received all approvals, complied with all Grant requirements, and passed all inspections. No payment shall be made for work not listed in the Project Description. No advance payments shall be made. Grantees' failure to complete the Project, or to apply for payment according to the disbursement schedule within the Project Description, shall be a waiver of any right to Grant funds.

2. **Project Description and Standard of Performance.** Grantees shall perform the Project as described the "Project Description," attached hereto and incorporated within as Exhibit "B." The Project Description shall include: plans; description of the work and materials; milestones and reports as appropriate; a disbursement schedule; and, other elements as deemed appropriate by the City. No material deviation from the Project Description is allowed without the prior written consent of the City Council. All funds must be spent as represented in the application and shown in the Project Description.

3. **Compliance with Laws, Codes, and Regulations.** The Project is subject to the filing and approval of a Certificate of Appropriateness request and any resulting conditions, according to RMC Title 20. The Project shall comply with the applicable Secretary of the Interior's Standards and Guidelines for the Treatment of Historic Properties, 1995. Grantees shall be responsible to obtain all required approvals, permits, and inspections, and complete the project as evidenced by a finalized building permit.

4. **Equal Opportunity.** Grantees agree not to discriminate against any employee or applicant for employment because of actual or perceived race, color, national origin, creed, age, gender, marital status, sexual orientation, religion, mental and physical disabilities, sex (including pregnancy), personal appearance, gender identity or expression, family responsibilities, genetic information, matriculation, political affiliation, or veteran status.

5. **Retention of Records.** Grantees shall maintain auditable records of all expenditures under this grant for three (3) years after completion of this grant assisted Project.

6. **Planning for Preservation Work.** Grantees shall ensure that any documents or plans for preservation work that result from the Project will conform to the Secretary of the Interior's Standards for the Treatment of Historic Properties, as appropriate.

7. **Publicity and Acknowledgement of Grant Assistance.** Grantees shall list the City of Riverside Historic Preservation Fund as a supporter in any printed material and publicity

releases. Should material emanating from this preservation activity be published for distribution, appropriate acknowledgement of the Committee's participation shall be given using one of the following statements:

"This project has been funded by a grant from the Historic Preservation Fund of the City of Riverside," or

"This project has been funded [in part] by a grant from the Historic Preservation Fund of the City of Riverside."

In accepting this grant, Grantees agree to provide the City of Riverside with a non-exclusive, royalty-free license to use (and to allow others to use), any reports, or other materials funded by the grant.

8. **Signage.** Grantees shall display a sign provided by the City to inform the public of the HPF funded project. The sign shall be displayed in a location readily visible from the public right-of-way, commencing with construction and ending when reimbursement is received.

9. **Project End Date.** The Project shall be completed within one year of execution of the grant agreement or by December 31, 2016, whichever comes first, or the date any appeals are final. Should any problems arise, a written request for an extension of the project must be submitted to the Historic Preservation Fund Committee at least 30 days prior to the expiration date.

10. **Final Report.** Within 30 days of the Project end date, Grantees shall submit a final report and financial accounting on the use of the grant award, as well as any materials or reports emanating from the grant award to the HPF.

11. **Standard of Maintenance.** Grantees shall maintain and keep the Property in good repair at their sole cost and expense according to RMC chapter 20.35, any other section(s) of the RMC, and any other applicable requirement.

12. **Failure to Perform.** If Grantees fail to perform the maintenance as required hereunder, Grantees shall reimburse the City for all Grant funds. Failure to reimburse the Agency within thirty (30) days from the date of invoicing shall entitle the Agency to record a notice of lien against the Property, and to take other actions including, in the City's discretion, enforcement of the lien through an action in foreclosure.

13. **Enforcement.** In addition to other available remedies and at the election of the City, failure to comply with this Agreement shall be deemed a violation of RMC section 20.35 relating to duty to maintain. Grantees hereby waive all protests, challenges, objections, claims and causes of action of whatever kind or nature including constitutional claims, if any, arising out of the City's enforcement of this Agreement. If the City elects to proceed against Grantees under the provisions of the RMC, such action will also include any and all rights to impose a special assessment lien against the Property.

14. This Agreement may only be amended by mutual writing, as approved by the Historic Preservation Fund Committee, or the City Council, as appropriate, and duly recorded.

IN WITNESS WHEREOF, Grantees have caused this Agreement and Declaration of Covenants, Conditions and Restrictions to be executed as of the day and year first written above.
