NOW, THEREFORE, Declarant declares that the Property is, and shall hereafter be held, transferred, sold conveyed, hypothecated, encumbered, leased, rented, used and occupied subject to the following covenants, conditions, restrictions and easements, all of which are declared and agreed to be in furtherance of a general plan for the subdivision, development, improvement, protection, maintenance, and sale of the Property, and all of which are declared and agreed to be for the purpose of enhancing, maintaining and protecting the value, desirability and attractiveness of the Property, and all of which are in consideration for the approval by the City of a final map for Tract Map 27654. All of the covenants, conditions, restrictions and easements shall run with the land, shall be binding on and inure to the benefit of all parties having or acquiring any right, title or interest in the Property or any lot or portion thereof, and shall be binding on and inure to the benefit of each successor and assignee in interest or each such party. Any conveyance, transfer, sale, assignment, lease or sublease made by Declarant of a lot of the Property shall be and hereby is deemed to incorporate by reference all of the provisions of this Covenant and Agreement and Declaration of Restrictions, including, but not limited to all the covenants, conditions, restrictions, limitations, grants of easement, rights, rights-of-way and equitable servitudes contained herein.

1. Definitions. In addition to the definitions herein-before set forth, the following words or phrases where used in this Covenant and Agreement and Declaration of Restrictions (except when the context otherwise requires) shall have the following definitions:

- a. "Declaration" shall mean this Covenant and Agreement and Declaration of Restrictions.

- c. "Owner" shall mean any person, whether an individual, corporation, association or otherwise, in which title to a lot is vested, as shown by the Official Records of the Office of the County Recorder of Riverside County, California. Declarant shall be deemed the Owner of all unsold or retained lots until Declarant, his heirs, successors or assigns shall have executed and caused to be recorded in the office of the County of Recorder of Riverside County, California, an instrument of conveyance conveying the respective lot. If more than one person is owner of a lot, than all such persons shall be jointly and severally liable for all obligations herein of the owner of a lot.

The established drainage facilities shall be constructed prior to the sale or development of any lot of the Property.

3. Acceptance of Surface Water Runoff. The Declarant acknowledges that the natural drainage flow of surface water runoff and storm water is not directly to a public street or public storm drain from each lot of the Property. 8. Notice from the City. Any remedy granted to the City pursuant to Paragraph 7 hereof shall be exercisable by the City only if the Owner shall fail to cure a violation of breach hereof after five days' written notice from the City, or, if such cure cannot be completed within such five-day period, if the Owner shall fail to commence to cure the same within such five-day period and to diligently prosecute such cure to completion.  60- SURVEYOR, CITY OF RIVERSIDE

Declarant agrees that matters released herein are not limited to matters which are known or disclosed, and Declarant, for himself and each successive Owner, waives any and all rights and benefits which he now has, or in the future may have, conferred upon him by virtue of the provisions of Section 1542 of the civil Code of the State of California, which provides as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM MUST HAVE MATERIALLY AFFECTED HIS SETTLEMENT WITH THE DEBTOR.

In this connection, Declarant agrees, represents and warrants that he is familiar with, has read, and understands Civil Code Section 1542, and he realizes and acknowledges that factual matters now unknown to him may have given, or may hereafter give rise to claims, which are presently unknown, unanticipated and unsuspected, and Declarant further agrees, represents and warrants that this Release has been negotiated and agreed upon in light of that realization and that Declarant nevertheless intends to release, discharge, and acquit the City from any such unknown claims, which are in any way related to the water flooding, flowing over, or remaining on any lot whether due to natural surface water and storm water runoff or to the construction and maintenance of the private cross-lot drainage facilities and the diversion of water into such facilities.

10. Indemnification. Each Owner of a Lot hereby agrees to defend, indemnify and hold harmless the City of Riverside, its officers, employees and agents from any and all liabilities, expenses, claims or causes of action arising out of or alleged to be caused by or resulting from water flooding, flowing over, or remaining on any property whether due to natural surface water or storm water runoff or to the construction and maintenance of the private cross-lot drainage facility on said Lot and the diversion of water into such facility.

11. Effect of Declaration. Any person who now or hereafter owns or acquires any right, title or interest in or to any portion of the Property shall be deemed (a) to have consented and agreed to every covenant, condition, restriction and easement contained herein; and (b) to have been granted and be subject to each applicable easement described in Paragraph 6 hereof, whether or not any reference to this Declaration is contained in the instrument by which such person acquired an interest in the Property.

12. Mutuality, Reciprocity, Run with Land. All of the provisions contained herein are made for the direct, mutual and reciprocal benefit of each and every portion of the Property and create mutual, equitable servitudes upon each lot as the servient tenement in favor of every other lot as the dominant tenement and create reciprocal rights and obligations among the respective Owners of all of the lots, and privity of contract and estate among all grantees of the lots, their successors and assigns in interest. In addition, each of the provisions hereof shall operate as covenants running with the land for the benefit of the Property and each lot, and shall inure to the benefit of all Owners thereof, their successors and assigns in interest, and shall apply to and bind each successive Owner of each lot or portion thereof, their successors and assigns in interest.

12. Termination and Modification. Subject to the prior written approval of the Public Works Director of the City of Riverside, this Declaration, and any provision contained herein, may be terminated, modified or amended as to all of the Property or any portion only upon the written agreement of the Owner of all of the lots of the Property. No such termination, modification or amendment shall be effective until there shall have been executed, acknowledged and recorded in the Office of the Recorder of Riverside County, California, an appropriate instrument evidencing the same including the consent thereto by the City acting through it Public Works Director.

IN WITNESS WHEREOF, the Declarant has executed this Declaration on the day and year first above written.
