DECLARATION OF NOTICE OF
GRADING AND BUILDING DEVELOPMENT STANDARDS

3/15
BW

THIS DECLARATION OF NOTICE is made and entered into this 9 day
of November, 1995, by BEREN, a limited
partnership ("Declarant") with reference to the following facts:

DESCRIPTION APPROVAL 11/1/95
Walter R. Ayre
SURVEYOR, CITY OF RIVERSIDE

A. Declarant is the fee owner of the following described
real property ("the Property") situated in the City of
Riverside, County of Riverside, State of California:

Lot 14 of Tract No. 25486-2, as shown by map on file
in Book 245 of Maps, at pages 59 through 63 inclusive,
records of Riverside County, California.

B. Declarant desires to improve and develop the Property
as part of a residential subdivision. Declarant desires the
City of Riverside ("City") to issue a grading permit for the
grading of the Property. As required by its rules and
regulations and the California Environmental Quality Act and the
regulations promulgated pursuant thereto, City conducted an
initial study involving the proposed grading plan for Tract
No. 25486-2 under Case No. EPC-1-923. The Environmental
Protection Commission determined that the project would not have
a significant effect on the environment and that a Negative
Declaration could be adopted subject to the imposition of
certain mitigation measures.

C. One of the mitigating conditions imposed in
Environmental Protection Commission Case No. EPC-1-923 requires
Declarant to notify future buyers of the Alessandro Heights
Arroyo and Grading Preservation Study standards and the
Residential Conservation ("RC") Zone building setback standards.

D. It is the desire of Declarant to give notice to any potential purchaser of the Property of the requirements of the Alessandro Heights Arroyo and Grading Preservation Study standards for grading and the RC Zone building setback standards and to comply with a mitigation measure adopted in the aforementioned Case No. EPC-1-923.

NOW, THEREFORE, for the purposes of complying with a mitigation measure imposed by the City of Riverside for the Property in Case No. EPC-1-923, Declarant, for itself and its successors and assigns, hereby covenants and agrees with the City of Riverside that Declarant shall give in writing to any prospective purchaser of the Property prior to sale a written notice providing the following information:

Grading and Building Development Standards. The standards for grading upon the lots within Tract No. 25486-2 are set forth in the Standards for Grading and Arroyo Preservation, ALESSANDRO HEIGHTS prepared by Smith, Peroni & Fox dated July 1989 as approved by the City Council of the City of Riverside on January 2, 1990, which provides in pertinent part as follows for grading on lots with natural slopes between 10% and 30%: (a) Total level padded area shall not exceed 18,000 square feet except up to 21,000 square feet may be permitted for split level pads separated by a minimum 4-foot elevation difference; and (b) slopes having a ratio of 3.9:1 or steeper shall not exceed 20 feet in vertical height. A copy of the Standards for Grading and Arroyo Preservation, ALESSANDRO HEIGHTS may be obtained from the Planning Department of the City of Riverside. In addition, the development standards for buildings upon the lots within Tract No. 25486-2, including a one-story, 20-foot building height limit and building setback requirements, shall be in accordance with the requirements of the Residential Conservation ("RC") Zone as set forth in Title 19 of the Riverside Municipal Code."

Declarant further covenants and agrees that the terms of this Declaration of Notice may be enforced by the City of Riverside, its successors and assigns. Should the City of Riverside bring an action to enforce any of the terms of this Declaration of Notice, the prevailing party shall be entitled to court costs, including reasonable attorneys' fees.

Declarant further agrees that the Property shall be held, conveyed, encumbered, leased, rented, used, occupied and improved subject to this Declaration of Notice. The terms of this Declaration of Notice shall run with the land and each and all of its terms shall be binding upon Declarant, its successors and assigns, and shall continue in effect until such time as released by the Planning Director of the City of Riverside, California, by a writing duly recorded.

IN WITNESS WHEREOF Declarant has caused this Declaration of Notice to be executed the day and year first written above.
