FOR ACCEPTANCE OF DRAINAGE WATERS
AND ESTABLISHMENT OF DRAINAGE EASEMENTS

THIS COVENANT AND AGREEMENT is made and entered into this 17th day of July, 1997, by SSG CONSTRUCTION, a California corporation ("Declarant") with reference to the following facts:

(T)
S

A. Declarant is the fee owner of the real property ("the Property") situated in the City of Riverside, County of Riverside, State of California, described as follows:

Lots 1 through 12, inclusive, of Tract 27488 as shown by map on file in Book 265 of Maps, at Pages 67 through 68 thereof, records of Riverside County, California.

B. The Property is a residential subdivision consisting of 12 lots for single family residential purposes known as Tract 27488 located southerly of Country Club Drive and westerly of Via Sotelo Drive within the City of Riverside, California. San Cristabal and Nicola Drive are public streets extending westerly from cul-de-sacs extending into the Property. Declarant has submitted to the Public Works Department of the City of Riverside a rough grading plan for Tract 27488, which plan shows that the surface storm flow and nuisance drainage waters on the Property will flow across various lots of the Property before discharging into either Via Sotel Drive, San Cristabal Drive and Nicola Drive.

C. Declarant desires to impose upon the Property a plan for its development in conformance with the rough grading plan submitted to the Public Works Department of the City of Riverside, to provide for the acceptance of surface water runoff and storm water upon the various Lots of the Property and to ensure the construction and maintenance of any private drainage facilities to protect the improvements to be constructed therein, and to adopt and establish covenants, conditions, restrictions and easements upon and with respect to the Property for such purpose, all of which are in the

furtherance of a general plan for the subdivision and improvement of the Property, and for the purpose of enhancing, maintaining and protecting the value, desirability and attractiveness of the Property, and upon and subject to which all of the Property shall be held, improved and conveyed.

D. As a condition to the approval of the rough grading plan for Tract 27488, the Public Works Department of the City of Riverside is requiring that a means be provided for disposing of surface runoff water and storm water onto and from the Property and that a document to so provide be executed and recorded.

NOW, THEREFORE, for the purposes of complying with a condition imposed by the City of Riverside, Declarant declares that the Property is, and shall hereafter be held, transferred, sold, conveyed, hypothecated, encumbered, leased, rented, used and occupied subject to the following covenants, conditions, restrictions and easements, all of which are declared and agreed to be in furtherance of a general plan for the subdivision, development, improvement, protection, maintenance, and sale of the Property, and all of which are declared and agreed to be for the purpose of enhancing, maintaining, and protecting the value, desirability and attractiveness of the Property, and all of which are in consideration for the approval by the City of Riverside of the rough grading plan for Tract 27488. All of the covenants, conditions, restrictions and easements shall run with the land, shall be binding on and inure to the benefit of all parties having or acquiring any right, title or interest in the Property or any lot or portion thereof, and shall be binding on and inure to the benefit of each successor and assignee in interest of each such party. Any conveyance, transfer, sale, assignment, lease or sublease made by Declarant of a Lot of the Property shall be and hereby is deemed to incorporate by reference all of the provisions of this document, including, but not limited to, all the covenants, conditions, restrictions, limitations, grants of easements, rights, right-of-way and equitable servitudes contained herein.

6. Maintenance of Established Drainage Facilities. Each Owner of a Lot upon which an Established Drainage Facility is located shall maintain, repair and replace, when necessary, any and all Established Drainage Facilities located on said Lot and keep such Established Drainage Facilities in a good order and repair at all times.

7. Enforcement. The provisions of this Declaration shall be enforceable at law or in equity by Declarant, each successive Owner and, subject to the provisions of Paragraph 8 below, City. In the event of any legal or equitable proceeding for the enforcement of or to restrain a violation of this Declaration, or any provision hereof, the prevailing party therein shall be entitled to reasonable attorneys' fee in addition to any other costs to which such party is entitled. The failure of Declarant, any Owner or City to enforce any provision of this Declaration shall in no event be deemed to be a waiver of the right to do so thereafter nor the

right to enforce any other provision hereof.

8. Notice from City. Any remedy granted to City pursuant to Paragraph 7 hereof shall be exercisable by the City only if the Owner (including the Declarant) shall fail to cure a violation of breach hereof after five days' written notice from City, or, if such cure cannot be completed within such five-day period, if the Owner shall fail to commence to cure the same within such five-day period and to diligently prosecute such cure to completion. Any notice given by the City pursuant to this paragraph shall be delivered to the Owner in person, or sent by U. S. Mail, registered or certified, return receipt requested, postage prepaid, addressed to the Owner at the last known mailing address of the Owner.

9. Release. Declarant and each successive Owner of a Lot hereby release City and its officers and employees from any and all claims, demands, suits or other actions that Declarant or Owner and their heirs, successors or assigns may now or in the future have arising out of or incurred as a result of the drainage waters flooding, flowing over, or remaining on any Lot whether due to natural surface water and storm water runoff or to the construction or maintenance of the Establish Drainage Facilities and the diversion of water into such facilities. Declarant agrees that the matters released herein are not limited to matters which are known or disclosed, and Declarant for itself and each successive Owner, waives any and all rights and benefits which it now has, or in the future may have, conferred upon it by virtue of the provisions of Section 1542 of the Civil Code of the State of California, which provides as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM MUST HAVE MATERIALLY AFFECTED HIS SETTLEMENT WITH THE DEBTOR.

In this connection, Declarant agrees, represents and warrants that it is familiar with, has read, and understands Civil Code Section 1542, and Declarant realizes and acknowledges that factual matters now unknown to it may have given, or may hereafter give rise to claims, which are presently unknown, unanticipated and unsuspected, and Declarant further agrees, represents and warrants that this release has been negotiated and agreed upon in light of that realization and that Declarant nevertheless intends to release, discharge, and acquit City from any such unknown claims which are in any way related to water flooding, flowing over, or remaining on any Lot whether due to natural surface water and storm water runoff or the construction and maintenance of the Established Drainage Facilities and the diversion of drainage waters into such facilities.

10. Effect of Declaration. Any person who now or hereafter owns or acquires any right, title or interest in or to any portion

of the Property shall be deemed (a) to have consented and agreed to every covenant, condition, restriction and easement contained herein, and (b) to have granted and be subject to each applicable easement hereof, whether or not any reference to this Declaration is contained in the instrument by which such person acquired an interest in the Property.

11. Mutuality, Reciprocity, Run with Land. All of the provisions contained herein are made for the direct, mutual and reciprocal benefit of each and every portion of the Property and create mutual, equitable and reciprocal benefits for each and every portion of the Property and create mutual, equitable servitudes upon each Lot as the servient tenement in favor of every other Lot as the dominant tenement and create reciprocal rights and obligations among the respective Owners of all of the Lots, and privity of contract and estate among all grantees of the Lots, their successors and assigns in interest. In addition, each of the provisions hereof shall operate as covenants running with the land for the benefit of the Property and each Lot, and shall insure to the benefit of all Owners thereof, their successors and assigns in interest, and shall apply to and bind each successive Owner of each Lot or portion thereof, their successors and assigns in interest.

12. Termination and Modification. Subject to the prior written approval of the Public Works Director of the City of Riverside, this Declaration, and any provisions contain herein, may be terminated, modified or amended as to all of the Property or any portion thereof only upon the written agreement of the Owners of all of the Lots of the Property. No such termination, modification or amendment shall be effective until there shall have been executed, acknowledged and recorded in the Office of the Recorder of Riverside County, California, an appropriate instrument evidencing the same including the consent thereto by the City acting through its Public Works Director.

IN WITNESS WHEREOF Declarant has caused this Declaration to be executed the day and year first written above.
