This development shall be maintained and operated by an association of homeowners ("Association") governed by a Declaration of Covenants, Conditions, Restrictions and Easements which the Declarant intends to record in the Office of the County Recorder.
- C. Residential Lots 18 and 19 are adjacent to one another, and when developed and improved with single family dwellings, will share a common driveway. The common driveway area is shown on Exhibit "A", attached hereto and shall hereinafter be referred to as the "Easement Area".
- D. The Declarant desires to establish certain reciprocal rights of access over the Easement Area for the Owners of the adjacent Lots sharing the Easement Area ("Adjacent Owners").
- E. In order to ensure joint access for construction purposes, for general vehicular and pedestrian access, drainage, utility and other infrastructure services for the Adjacent Owners, Declarant desires to create and reserve herein a nonexclusive easement on, over and across the Easement Area.
- F. The Declarant desires that the easement created herein continue in perpetuity and be binding upon all future Owners of the Property, their heirs, assigns and/or successors-in-interest.

NOW, THEREFORE, in consideration of the foregoing recitals, Declarant hereby expressly creates, reserves and grants the following nonexclusive easement and agrees as follows:

1. **GRANT OF EASEMENT.** Declarant hereby expressly creates, reserves and grants the Adjacent Owners a non-exclusive reciprocal easement for ingress, egress and access in, on, over and across the Easement Area. That portion of the Easement Area located on Lot 18 shall be for the use and benefit of and as an easement appurtenant to Lot 19; and that portion of the Easement Area on Lot 19 shall be for the use and benefit of and as an easement appurtenant to Lot 18.

The Adjacent Owners shall be jointly and equally responsible for the maintenance, repair and replacement of all improvements constructed on the Easement Area.
