**COVENANT AND AGREEMENT  
FOR STORM WATER PURPOSES**

This **COVENANT AND AGREEMENT FOR STORM WATER PURPOSES** ("Easement"), dated this 8 day of June, 1998 (for reference purposes only), is made by **SANDA GROUP**, a California limited partnership, its heirs, successors and assigns ("Declarant"), with reference to the following facts:

**RECITALS**

A. Declarant is the fee owner of the following described real property located in the City of Riverside, County of Riverside, State of California ("Property"):

Residential Lots 1 through 23, inclusive, and Common Area Lots 24, 25, A and B of Tract No. 28728-1, as shown by Map on file in Book 272, Pages 10 through 12, inclusive, of Maps, records of Riverside County, California.

B. Declarant has filed with the City of Riverside ("City") an application to develop the Property as a part of a residential planned development subdivision, as defined in Civil Code Section 1351(k), consisting of 23 Residential Lots, 1 open space Common Area Lot, 1 Common Area Lot for private off-site access purposes and 2 Common Area Lots for private street purposes. This development shall be maintained and operated by an association of homeowners ("Association") governed by a Declaration of Covenants, Conditions, Restrictions and Easements which the Grantor intends to record in the Office of the County Recorder.

DESCRIPTION APPROVAL 6/20/98  
Walter R. [Signature]  
SURVEYOR, CITY OF RIVERSIDE

- C. As a condition to the approval of the Tract Map for the Property by City, City is requiring Declarant to accept surface runoff water and storm water from a certain public street onto particular portions of the Property shown and delineated on the street improvement plans for Tract 28728-1, as submitted to the City.
- D. Declarant, by this document, intends to comply with such requirement and to give notice thereof to all future owners of the Property and to all members of the Association established to manage and operate the residential planned development.

**NOW, THEREFORE**, in consideration of the foregoing recitals, Declarant hereby covenants and agrees with City as follows:

1. Surface runoff water and storm water shall be allowed to flow from the public street commonly known as Century Avenue and shall be accepted onto Lot A and portions of Lot 25 of the Property, Lot A being a private street known as Century Hill and Lot 25 being an open space Common Lot. Such runoff and storm water shall be no greater than historic flow amounts. Said drainage flows are shown and depicted on the street improvement plans for Tract 28728-1, as approved by the City.

2. Declarant and/or the Association established to maintain and operate the Property shall maintain the drainage facilities within Lot A and on a portion of Lot 25 in a good, usable and safe condition at all times, shall keep such drainage facilities free from obstruction and shall make any repairs as may be necessary to ensure proper drainage, or as may be required by the City of Riverside;

3. Declarant hereby releases the City of Riverside, its officers and employees from any and all claims, demands, suits or actions that the Declarant may now or in the future have arising out of or incurred as a result of water flooding, flowing over, or remaining on any part of the Property due to the acceptance of the storm waters from Century Avenue or the drainage facilities in Lots A or 25 or the maintenance of such facilities.

Declarant agrees that the matters released herein are not limited to matters which are known or disclosed, and Declarant for itself and each successive Owner of the Property, waives any and all rights and benefits which it now has, or in the future may have, conferred upon it by virtue of the provisions of Section 1542 of the Civil Code of the State of California, which provides as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM MUST HAVE MATERIALLY AFFECTED HIS SETTLEMENT WITH THE DEBTOR.

In this connection, Declarant agrees, represents and warrants that it is familiar with, has read, and understands Civil Code Section 1542, and Declarant realizes and acknowledges that factual matters now unknown to it may have given, or may hereafter give rise to claims, which are presently unknown, unanticipated and unsuspected, and Declarant further agrees, represents and warrants that this release has been negotiated and agreed upon in light of that realization and that Declarant nevertheless intends to release, discharge, and acquit the City of Riverside from any such unknown claims which are in any way related to water flooding, flowing over, or remaining on any part of the Property due to the acceptance of the storm waters from Century Avenue or the drainage facilities in Lots A or 25 or the maintenance of such facilities.

4. Declarant shall defend, indemnify and hold harmless City, its officers and employees from any and all liabilities, expenses, claims or causes of action arising out of or alleged to be caused by or resulting from water flooding, flowing over, or remaining on any Property due to the acceptance of the storm waters from Century Avenue or the drainage facilities in Lots A or 25 or the maintenance of such facilities.

5. The terms of this Covenant may be enforced by City, its successors or assigns, or by any Owner or Tenant of any Lot of the Property. Should the City or any Owner or Tenant bring an action to enforce any of the terms of this Easement, the prevailing party shall be entitled to reasonable attorneys' fees, expert witnesses' fees and reasonable costs of suit.

6. The rights granted herein are not exclusive, and do not, therefore, restrict the Declarant's use of Lots A and 25 so long as the Declarant's use does not interfere with the purpose of the rights granted.

7. This Covenant shall run with the land and shall be binding upon Declarant, its heirs, successors and assigns and shall continue in full force and effect in perpetuity.

8. Declarant, by recordation of this Covenant, prior to or concurrently with the recordation of the Map for Tract No. 28728-1, hereby gives notice to all prospective buyers of any Lot of the Property that the Property shall be subject to the foregoing terms and conditions.

---

IN WITNESS WHEREOF, Declarant has caused this Easement to be executed the day and year written below.
