These rights are to be interpreted in light of the fact that the Grantor hereby conveys the Site to the Grantee for low to moderate income housing purposes, particularly for development of the Project and not for speculation in land.

5. The Grantee covenants by and for itself, its successors and assigns, and all persons claiming under or through it, that there shall be no discrimination against or segregation of any person or group of persons on account of race, color, creed, religion, sex, marital status, national origin or ancestry in the sale, lease, sublease, transfer, use, occupancy, tenure or enjoyment of the Site and the Project, nor shall the Grantee itself, or any person claiming under or through it establish or permit any such practice or practices of discrimination or segregation with reference to the selection, location, number, use or occupancy of tenants, lessees, subtenants, sublessees or vendees in the Site and the Project.

The foregoing covenants shall run with the land."

b. In leases: "The lessee herein covenants by and for himself or herself, his or her heirs, executors, administrators and assigns, and all persons claiming under or through him or her, and this lease is made and accepted upon and subject to the following conditions:

c. In contracts: "There shall be no discrimination against or segregation of any person, or group of persons on account of race, color, creed, religion, sex, marital status, national origin or ancestry in the sale, lease, sublease, transfer, use, occupancy, tenure or enjoyment of the premises, nor shall the transferee himself or herself or any person claiming under or through him or her, establish or permit any such practice or practices of discrimination or segregation with reference to the selection, location, number, use or occupancy of tenants, lessees, subtenants, sublessees or vendees of the premises."

favor of and shall be enforceable by the Grantor, the Redevelopment Agency and their successors and assigns for the entire period during which such covenants shall be in force and effect, without regard to whether the Grantor or the Redevelopment Agency is or remains an owner of any land or interest therein to which such covenants relate. In the event of any breach of any of such covenants, the Grantor and such aforementioned parties shall have the right to exercise all of the rights and remedies, and to maintain any actions at law or suits in equity or other proper proceedings to enforce the curing of such breach.

8. No violation or breach of the covenants, conditions, restrictions, provisions or limitations contained in this Grant Deed shall defeat or render invalid or in any way impair the lien or charge of any mortgage, deed of trust or other financing or security instrument permitted by the Agreement; provided, however, that any successor of Grantee to the Site shall be bound by such remaining covenants, conditions, restrictions, limitations and provisions, whether such successor's title was acquired by foreclosure, deed in lieu of foreclosure, trustee's sale or otherwise.

9. Only Grantor and the Redevelopment Agency, their successors and assigns, and the Grantee and the successors and assigns of the Grantee in and to all or any part of the fee title to the Site shall have the right to consent and agree to changes or to eliminate in whole or in part any of the covenants contained in this Grant Deed, or to subject the Site to additional covenants, easements, or other restrictions. For purposes of this Section 9, successors and assigns of the Grantee means only those parties who hold all or any part of the Site in fee title, and does not include a tenant, lessee, easement holder, licensee, mortgagee, trustee, beneficiary under deed of trust, or any other person or entity holding less than a fee interest in the Site.
