WHEREAS the Grantor has sought approval from the City of Riverside for the development of the property of the Grantor by the project above-referenced; and

WHEREAS the City of Riverside has conditioned the approval of such project by requiring the granting of an avigation easement over the property of the Grantor;

and assigns, for the use and benefit of the public, a perpetual easement and right of flight appurtenant to the Riverside Municipal Airport for the passage of aircraft by whomsoever owned and operated in the airspace above the surface of the property of the Grantor as described in said Exhibit "A", together with the right to cause in said airspace such noise, sound or shock waves, vibrations, dust, smoke, odors, fumes, fuel particles and other related conditions that may be inherent in the operation of aircraft landing at, taking off from or operating at or on the Riverside Municipal Airport.

"Aircraft" is defined for the purposes of this instrument as any contrivance now known or hereinafter invented, used or designed for navigation of or flight in the air.

Grantor hereby acknowledges that the Riverside Municipal Airport is an operating airport subject to increases in the intensity of use and operation, including present and future noise, sound or shock waves, vibrations, dust, smoke, odors, fumes, and fuel particles and related conditions, and Grantor hereby fully waives, remises and releases any right or cause of action which Grantor may now or in the future have against Grantee, its successors and assigns, due to such noise, sound or shock waves, vibrations, dust, smoke, odors, fumes, fuel particles and other related conditions that may be caused by the operation of aircraft landing at or taking off from, or operating at or on the Riverside Municipal Airport.
