INSTRUMENT NO. 19856

TOGETHER WITH the right to enter upon and to pass and repass over and along said strip of land, and to deposit tools, implements, and other materials thereon by said party of the second part, its officers, agents and employees, and by persons under contract with it and their employees, whenever

and wherever necessary for the purpose of constructing, reconstructing, inspecting, maintaining, operating or repairing said structures.

TEMPORARY CONSTRUCTION EASEMENT CLAUSE

IT IS ALSO AGREED that during the period of construction of said sewer easement structure contemplated by above written Sewer Easement Clause, the City of Riverside, its officers, employees, agents and contractors are hereby permitted to use the 20.0 foot strip of land lying contiguous and parallel with each side of the above described 10.0 foot wide strip of land as shown on plats marked "Exhibit A" attached hereto and by this reference made a part hereof, with the following exception as to width:

Said temporary construction easement between Point "A" and Point "B" of Parcel 1 of above described Sewer Easement Clause shall be a 50.0 foot wide strip of land southerly of and contiguous with said 10.0 foot wide sewer easement and a 100 foot wide strip of land northerly of and contiguous with said 10 foot wide sewer easement.

Said temporary construction easement to be used for all purposes proper and convenient in the construction and installation of said structure; including the rights of ingress and egress, the temporary deposit of tools, equipment, machinery, vehicles, materials and supplies used in the performance of said work, and for similar and related purposes.

Upon completion of construction, the City of Riverside shall remove all debris, waste or excess material, brush or other matter or material deposited or placed upon the land, and with the exception of vegetation, return the surface as near as possible to its condition before construction.

During the construction of said structure, the City of Riverside or its contractors shall exercise ordinary care and diligence in the protection of fruit, ornamental, or other trees, existing irrigation and drainage facilities, but shall be held harmless from liability in the event of damage to same.

This construction Easement shall terminate upon completion of the work of constructing the sewer structure or within one year of the date of recording this document, whichever occurs first.

IN WITNESS WHEREOF the said party of the first part has hereunto executed the within instrument the day and year first above written.
