

RIVERSIDE COUNTY FLOOD CONTROL AND WATER CONSERVATION DISTRICT

**ENCROACHMENT PERMIT**

City of Riverside  
 Dept. of Public Works  
 3870 Mulberry St.  
 Riverside, California 92501

Riverside, California

21 January, 19 74

In compliance with your request of 1 November, 19 73  
 and subject to all the terms, conditions and restrictions written below or printed as general or special provisions on any part of this form

PERMISSION IS HEREBY GRANTED TO City of Riverside to make certain improvements within the La Sierra Channel R/W as detailed on Sheets 4, 6, 11, 18, 19 and 20 of City of Riverside Plan R-1450 and Special Provisions, La Sierra Widening, Freeway to Hole, Revised 5-3-73 and 7-13-73, to wit:

1. Connect 15" RCP into La Sierra - Magnolia Avenue Storm Drain at Sta. 29+66±.
2. Extend the La Sierra - Collett Avenue's crossing of La Sierra Channel by constructing a reinforced concrete "channel cover" at both ends of the existing RCB.
3. Connect 21" RCP into La Sierra Channel downstream from La Sierra Avenue.
4. Other catch basin connections into La Sierra - Magnolia Drain and Cochran Avenue Lateral.

The attached special provisions shall be a part of this permit.

This permit is to be strictly construed and no work other than that specifically mentioned above is authorized hereby. Performance of the work shall be deemed to be acceptance by the Permittee of all terms and conditions of this permit.

This permit shall be void unless work herein contemplated shall have been completed before 1 November, 19 74
