

COUNTY OF RIVERSIDE, STATE OF CALIFORNIA  
RIVERSIDE COUNTY FLOOD CONTROL AND WATER CONSERVATION DISTRICT

**ENCROACHMENT PERMIT**

City of Riverside  
Public Works Department  
3900 Main Street  
Riverside, CA 92502

Riverside, California

15 April, 19 76

In compliance with your request of 3 March, 19 76  
and subject to all the terms, conditions and restrictions written below or printed as general or special provisions on any part of this form

PERMISSION IS HEREBY GRANTED TO City of Riverside to make connection of catch basin and median drain connector pipes into Magnolia Drain of La Sierra Channel, along Magnolia Avenue between La Sierra Avenue and Harrison Street, as detailed on City of Riverside Plans No. R-1786, dated 1-30-76.

It should be noted that the interest of the District in said land is an easement and is limited to the facilities as constructed by the District. This permit, therefore, represents the District's authorization to make such connections, and permittee must also obtain permission from the fee owner to construct such facilities.

This permit is to be strictly construed and no work other than that specifically mentioned above is authorized hereby. Performance of the work shall be deemed to be acceptance by the Permittee of all terms and conditions of this permit.

This permit shall be void unless work herein contemplated shall have been completed before 1 January, 19 77.
