

Diagram exhibiting the alley in Block 4, Range 6., City of Riverside, in which work has been done under my official contract as Street Superintendent of said city with A. Fleck and Ormand dated the 11th day of August A.D. 1892. for the construction of a six inch sewer, as is more particularly described in said contract, showing the relative location of each lot, portion of lot or parcel of land to the work done, numbered in red ink to correspond with the red ink number in the assessment and showing the number of feet frontage assessed for said work contained in and performed thereon. "No." is used as the continuation of the word number, "ft" for the word feet. The mark "m" means feet. Figures in black ink next to property lines show each the length of said line in feet. Other figures in black ink show the number of the lots.

At said City of Riverside this 27th day of August A.D. 1892.
