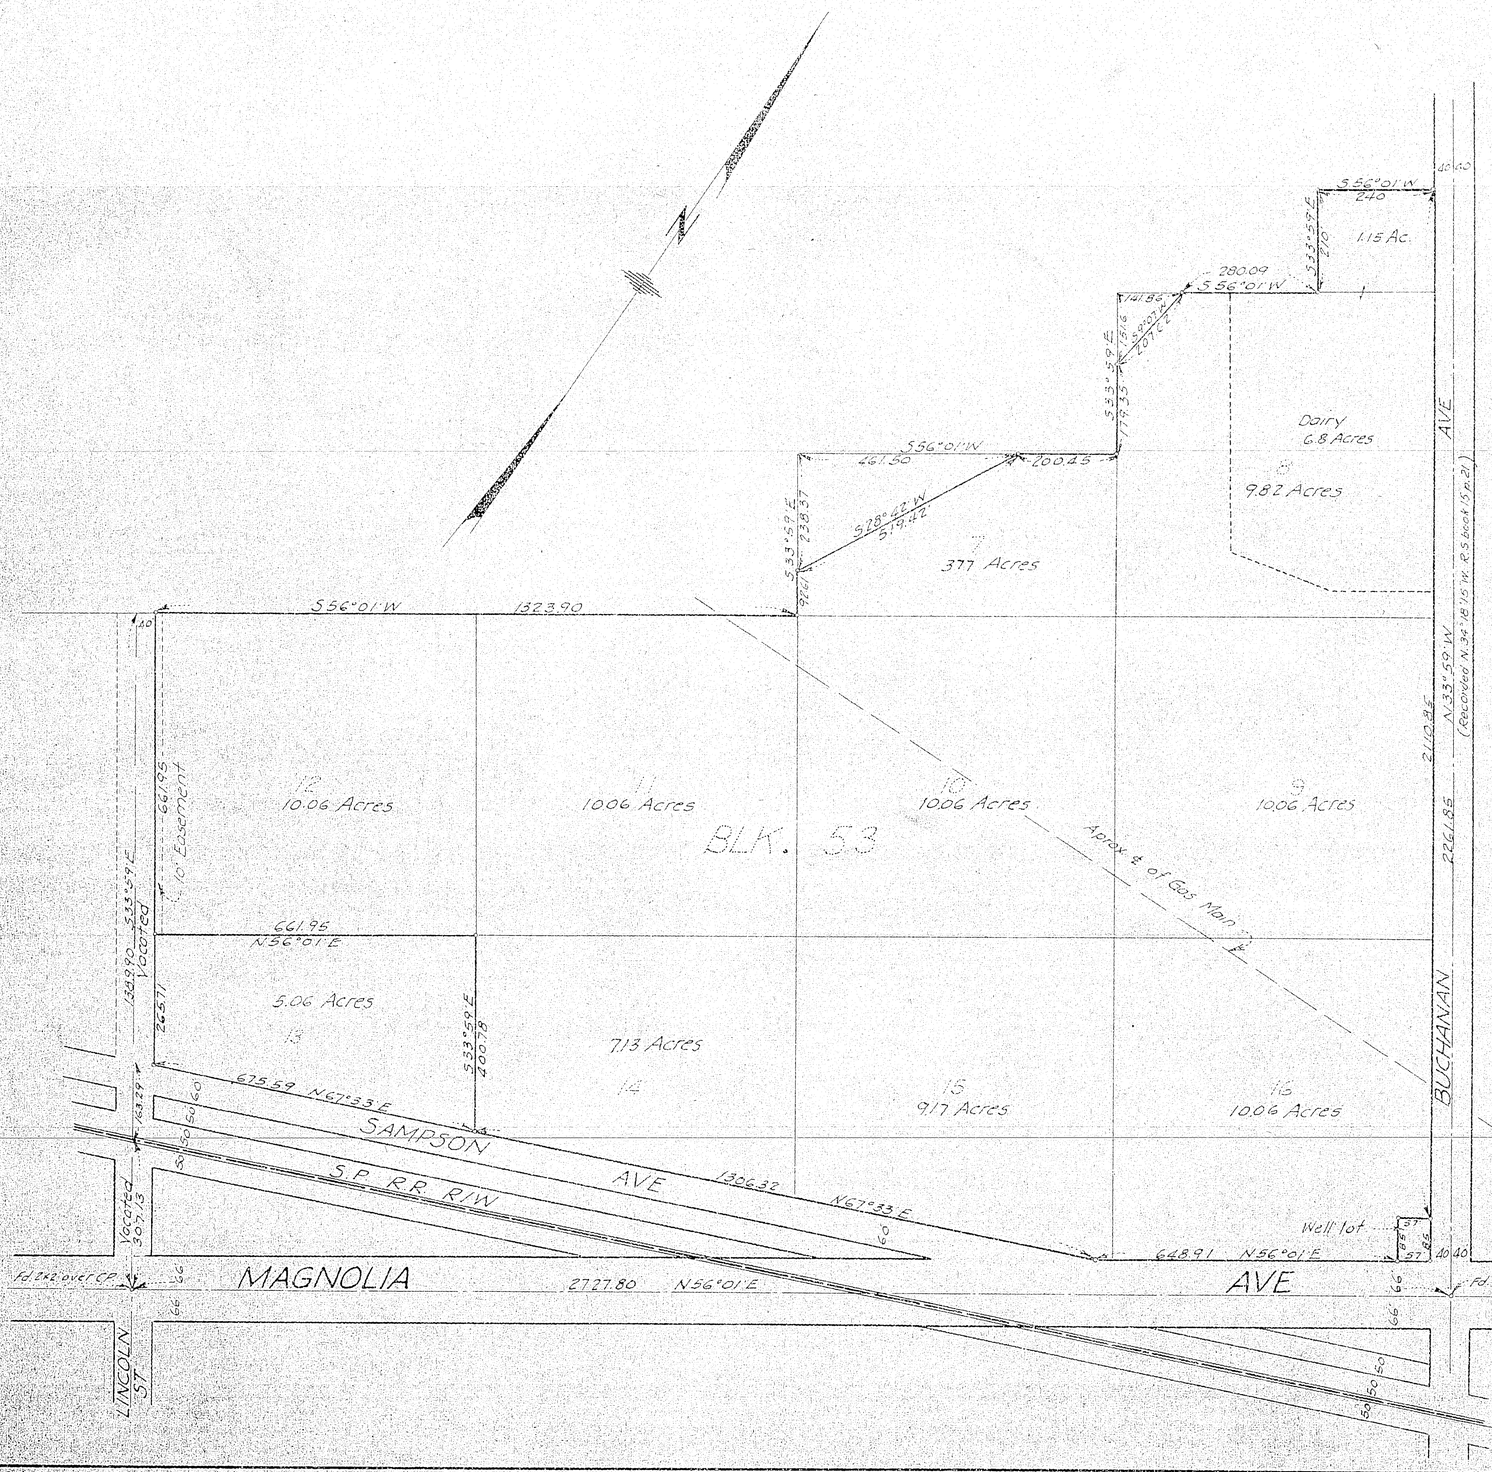
C C Keith

County Surveyor, Riverside Co. Calif.



Note ¾" or 1" iron pipe set at all corners unless otherwise shown

Bearing are based on the center line of Magnolia Ave taken as S 56°01' W., and are true courses.

Note: Search was made for any original corners along the northerly line of Blk 53 R.L. & I. Co. No evidence of any corners found. By careful measurment between existing monuments on Magnolia Ave. at the int. of Buchanon Ave. and Lincoln St. the excess over the record distance was found to be 7.80 ft. or 1.95 ft. per lot. This some proportional excess was applied to the easterly and westerly lines of Blk 53 to reestablish the northerly line of said Blk 53
