

**GENERAL NOTES**

1. Construction shall be in accordance with the standard specifications for Public Works construction, 1986 Edition, and City of Riverside standard Drawings.
2. It shall be the responsibility of the contractor to clear the right of way in accordance with the provisions of law as it affects each utility including irrigation lines and appurtenances, and of no cost to the City.
3. Pipe shall be bedded per Case 1, standard Drawing No. 452, unless otherwise specified on the plans.
4. A plug shall be installed and shall remain in place, where the new sewer connects with the existing sewer until the new sewer is accepted by the City.
5. Frames and covers for Manholes are to be adjusted to final grade by the Sewer Contractor after final paving of the street.
6. Prior to the construction of the sewer, the contractor is to expose the existing sewer and contact the Engineer for verification of the existing elevation.
7. The private engineer signing these plans is responsible for assuring the accuracy and acceptability of the work shown. In the event of discrepancies arising during construction, the private engineer shall be responsible for determining an acceptable solution and revising the plans for approval by the City.
8. All flagged elevations shall be staked in the field by the private engineer.
9. The contractor shall call in a location request to Underground Service Alert (USA), Phone No. 7-800-488-4183, two working days before digging. No construction permit will be issued by the Public Works Department involving excavation for underground facilities unless the applicant has been provided an inquiry identification number by U.S.A.

**NOTICE TO CONTRACTOR**

The existence and location of any underground utility pipes or structures shown on these plans are obtained by a search of the available records. To the best of our knowledge, there are no existing utilities except as shown on these plans.

The Contractor is required to take due precautionary measures to protect the utility lines shown and any other lines not of record or not shown on these plans.
