NOTE:  
 All work and Material shall comply with the Specifications and Standards of the City of Riverside, Department of Public Works.  
 If the subdivider desires to reduce the requirements of Imported Base Material, additional soil tests may be taken at subdividers expense after streets are prepared to rough grade. Subdivider will contact Inspection Division, City of Riverside, before taking tests. The City of Riverside will make a test of Base Material in place, before paving can be installed, results of this test of Base Material must indicate it is satisfactory to the Inspection Division. Stationing line is the E. of east drive, Victoria Ave.
