

**QUANTITY ESTIMATE**

2 1/2" P.M.S. & seal coat	3,700 sq. ft.
4" 200 Curb & Gutter	216 lin. ft.
6" Imported Base Material	160 sq. ft.
24" Redwood Header	70 cu. yds.
6" 200 Curb & Gutter	75 lin. ft.

**NOTES:**

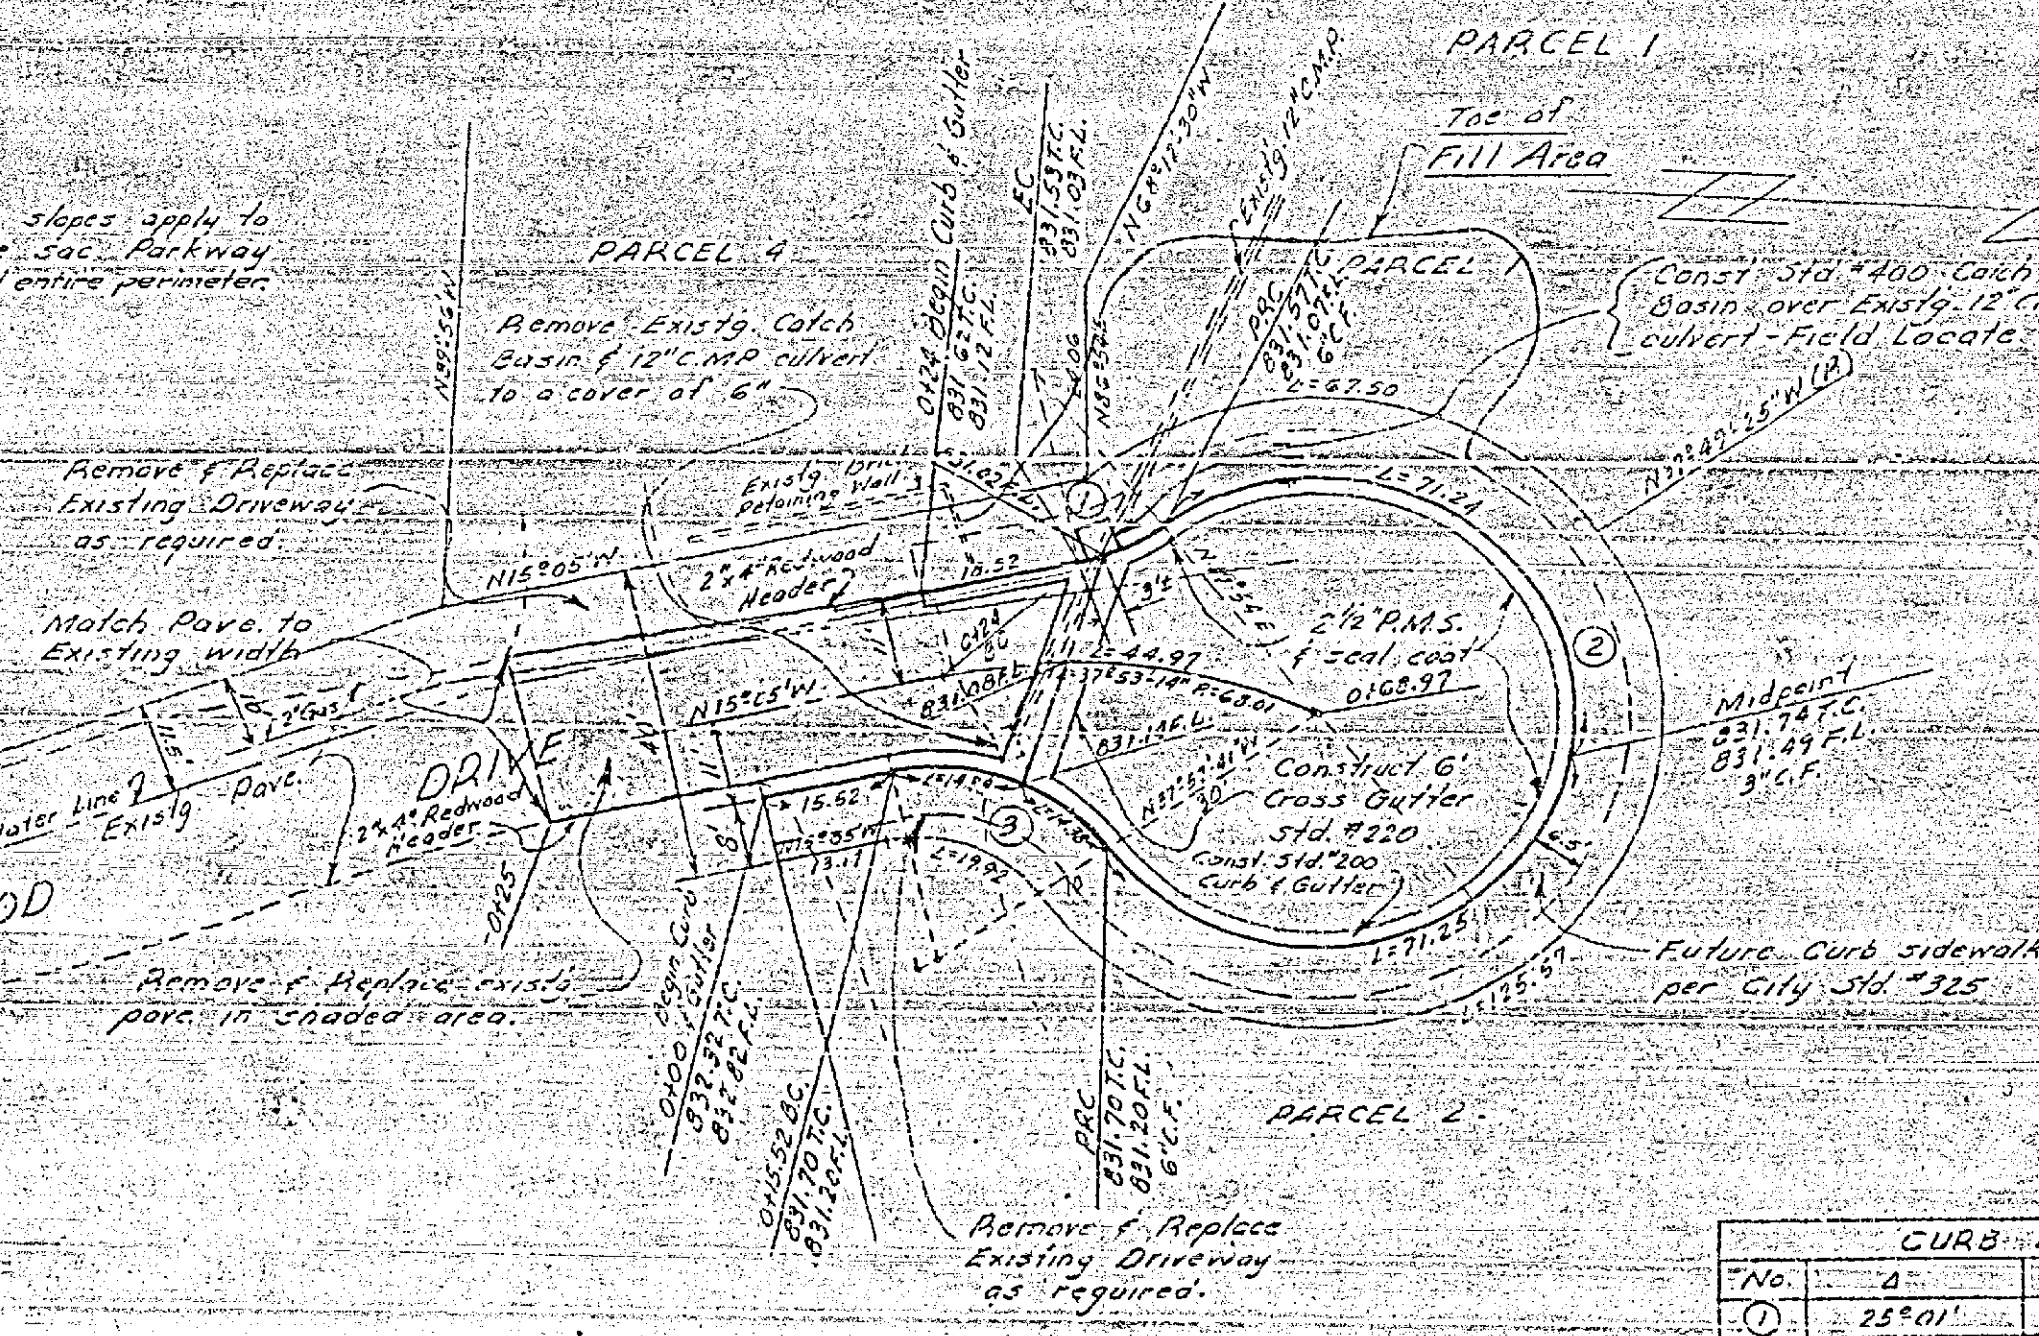

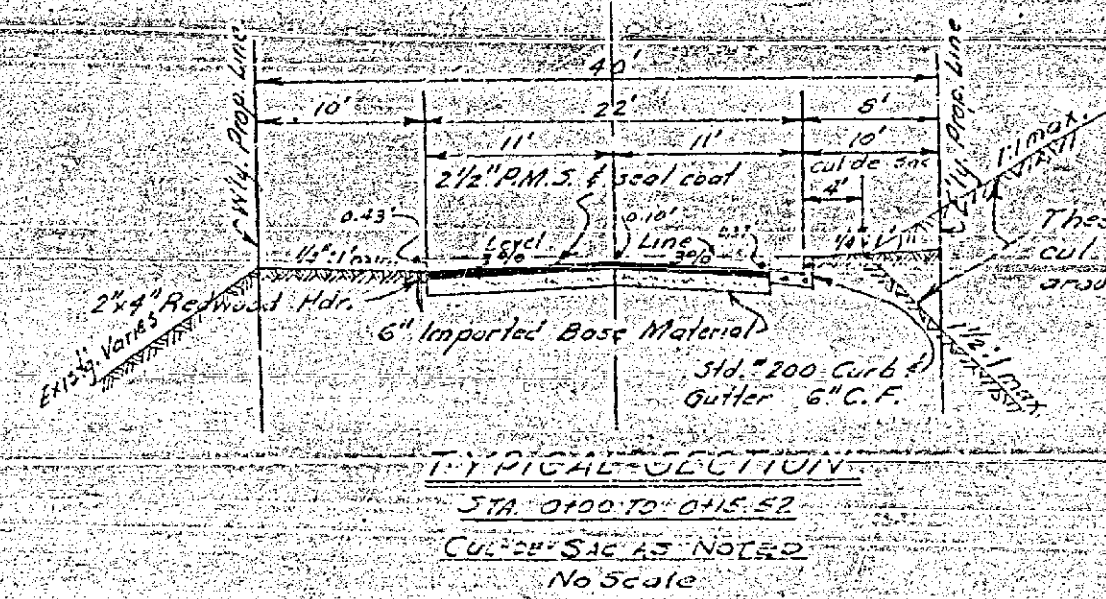

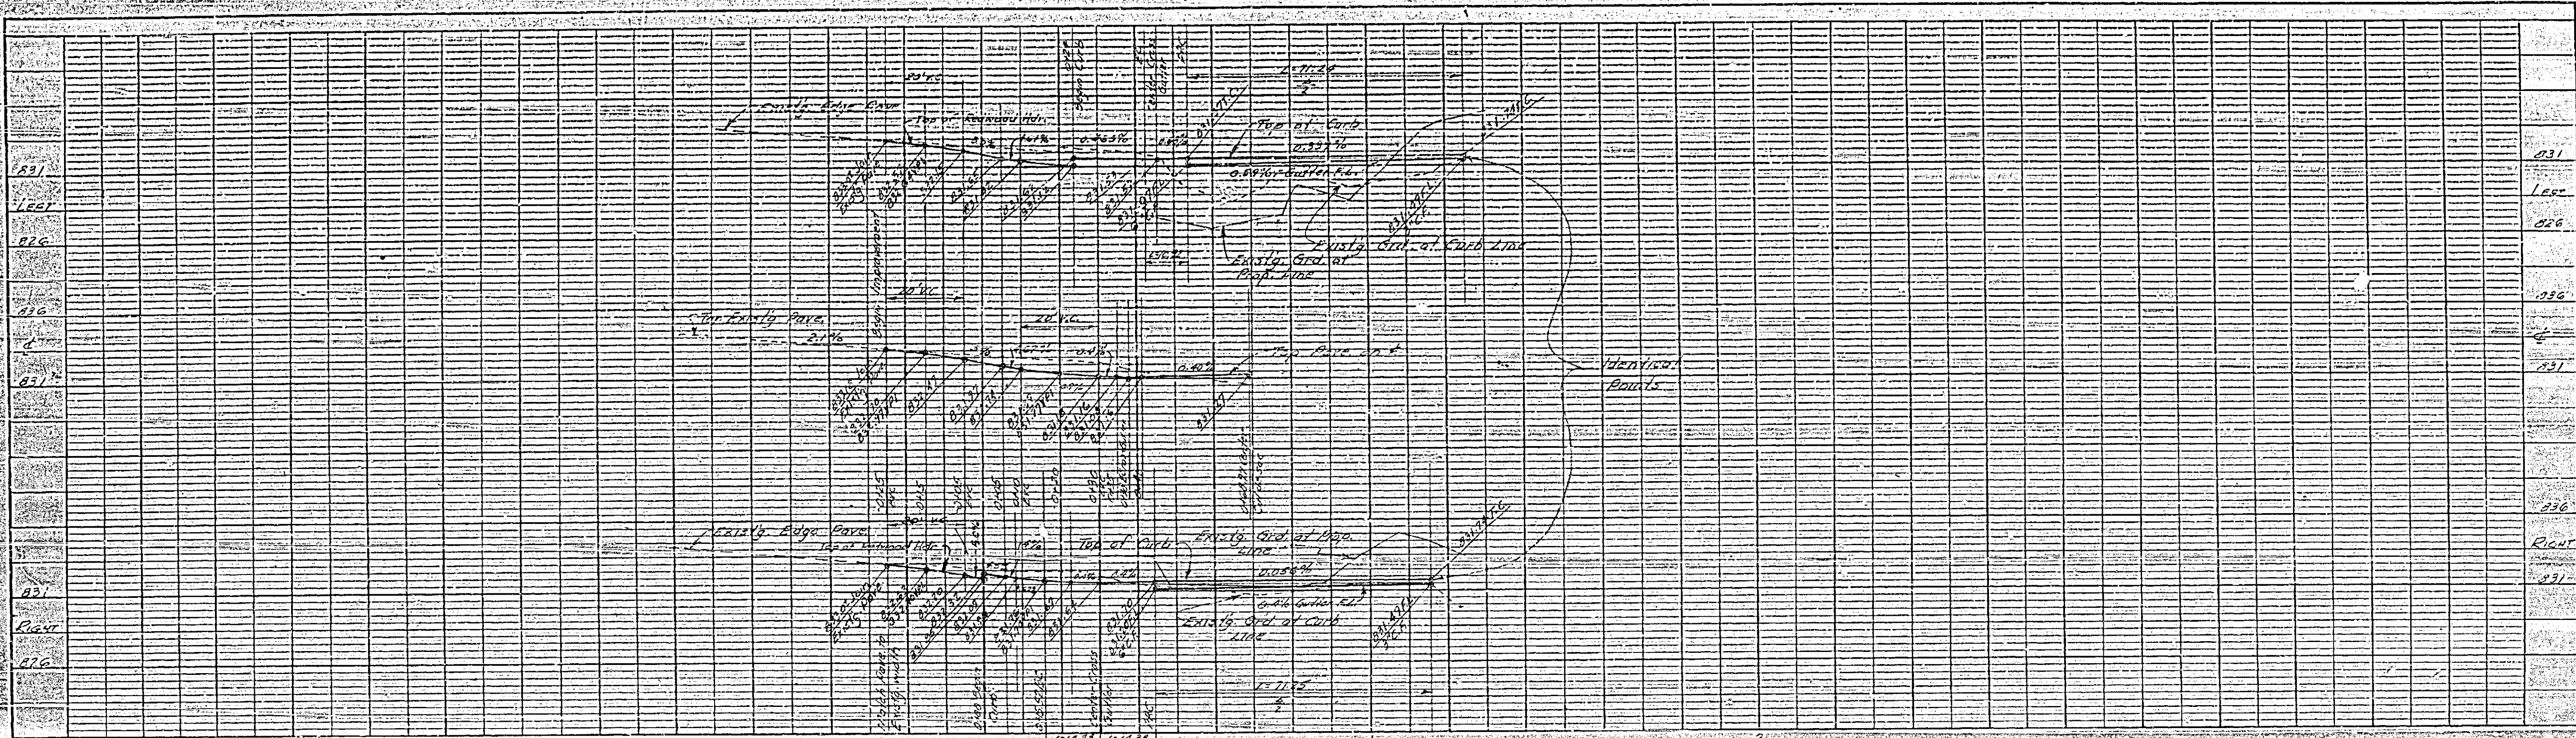

- Construction to be in accordance with Standards and Specifications of the City of Riverside Department of Public Works.
- If the Subdivider desires to reduce requirements on imported base material additional soil tests may be taken at Subdivider's expense after street is prepared to rough grade. Subdivider will contact inspection division, City of Riverside, before making tests.
- The City of Riverside will make a test of base & fill material in place. Before paving can be installed, results of this test must indicate that the base & fill material is satisfactory to the inspection department.
