Director of Public Works  
Date 2-5-65 Sheet 1 of 1

Note: If subdivider desires to reduce requirements on "soft base material", additional soil tests may be taken, at subdividers expense after approval by engineer. Subdivider will contact Inspection Division, City of Riverside, before placing paving on so indicated, results of this test must indicate that the base material is satisfactory to the Inspection Division.

Bench Mark: NGL in center of curb return on S.E. corner Jackson St. and California Avenue. E.L. 749.738
