

NOTES
 1. If owners desire to reduce requirements on import base material, additional soil tests may be taken at owners expense after the alley is prepared to rough grade. Owners will contact Inspection Division, City of Riverside before any tests. The City of Riverside will make a test of base material in place before paving can be installed, results of that test must indicate that the base material is satisfactory to the Inspection Division.
 2. All construction shall be in accordance with City of Riverside Standard Specifications No. 450 & Standard drawing.
