

RESUBDIVISION OF A PORTION OF

17 19 20

ARLINGTON SUBURBAN ESTATES

**Notes:**  
 1. All construction shall be in accordance with Standards and Specifications No. 660 of the City of Riverside Dept. of Public Works.  
 2. If the owner desires to reduce requirements on imported base material, additional soil tests to include tests for moisture, compaction, etc., shall be prepared to rough grade. Owner will contact inspection division, City of Riverside for more information. The City of Riverside will make a test of base material to check whether paving can be installed. Results of this test must indicate that the base material is satisfactory to the inspection division.
