TYPICAL SECTION
Sta. 11+40 to Sta. 13+45
Hor. 1"=10' Vert 1"=5'

GENERAL NOTES

1. All Construction shall be in accordance with Standards and Specifications No. 461 of the City of Riverside Department of Public Works.
2. It shall be the responsibility of the Contractor to clear the Right of Way in accordance with the provisions of law as it affects each utility including irrigation lines and appurtenances, and at no extra cost to this city of Riverside.
3. If the Subdivider desires to reduce requirement on import base material additional soil tests may be taken at the Subdivider's expense after rough grade. Subdivider will contact inspections division, city of Riverside before making test. The City of Riverside will make a test of base material in place before paving can be installed. Results of this test must indicate that the base material is satisfactory to the inspection division.
4. Trim edge of existing paving to a clean straight line. Construct match-up paving and overlap on existing paving as directed in the field. To produce a smooth & even surface.
5. Prime coat and paint binder required.
