ALBERT A. WEBB ASSOCIATES
 CIVIL ENGINEERS - RIVERSIDE, CALIFORNIA

GENERAL NOTES:

- It shall be the responsibility of the contractor to clear the right of way in accordance with provisions of law as it affects such utility including irrigation lines and appurtenances and at no cost to the City.
- Construction shall be in accordance with the City of Riverside Department of Public Works Specifications No. 461 and Standard Drawings.
- If the Subdivider wishes to reduce requirement for imported base materials, additional soil tests may be taken at the expense of the Subdivider after the streets prepared to rough grade. Subdivider will contact the Inspection Division, City of Riverside, before making tests. The City of Riverside will make a test of base material in place. Before paving can be installed, results of this test must indicate that base material is satisfactory to the Inspection Division.
- Prime coat & joint binder required.
