

- General Notes:**
1. It shall be the responsibility of the contractor to clear the right-of-way in accordance with provisions of law as it affects each utility including irrigation lines and appurtenances and at no cost to the city.
 2. All construction shall be in accordance with Standards and Specifications No. 461 of the City of Riverside Department of Public Works.
 3. Trim edge of existing paving to a clean straight line. Construct makeup paving and overlap on existing paving as directed in the field to produce a smooth crown.
 4. Primecoat, Sealcoat and paint binder are required.
 5. Grading will require a permit under Ordinance N-3053 for a cut or fill exceeding 100 Cubic Yards, or a fill over one foot in depth.
