

- GENERAL NOTES:-**
1. It shall be the responsibility of the Contractor to clear the Right of Way in accordance with the provisions of law as it affects each utility including irrigation lines and appurtenances and at no cost to the City.
 2. Construction shall be in accordance with the City of Riverside, Department of Public Works Specifications 112-661 and standard Drawings.
 3. Prime coat and paint binder are required.
 4. Trim edge of existing paving to a clean straight line. Construct match up paving and overlay existing paving as directed in the field to produce a smooth crown surface.
 5. Utility poles in conflict with street improvements will be moved by others.
