

- GENERAL NOTES**
1. All Construction shall be in accordance with Standards and Specifications No. 461 of the City of Riverside Department of Public Works.
 2. It shall be the responsibility of the Contractor to clear the Right of Way in accordance with the provisions of law as it affects each utility including irrigation lines and appurtenances, and at no extra cost to the City of Riverside.
 3. The City of Riverside will take a soil test to determine the imparted base material thickness when the streets have been rough graded. Prime coat's Point binder will be required.
