NOTES

Pavement widening to be done by County forces. Subdivider will grade, place base material, and leave in a condition safe for traffic.

Any relocation of existing utilities to clear the proposed work shall be the responsibility of the Subdivider.

Subdivider will install street name signs conforming to County Standard No. 28, as directed.

All work shall conform to the requirements of the Riverside County Road Department Specifications for the improvement of Subdivision Streets, Dated 1959, Co. Ord. No. 461.

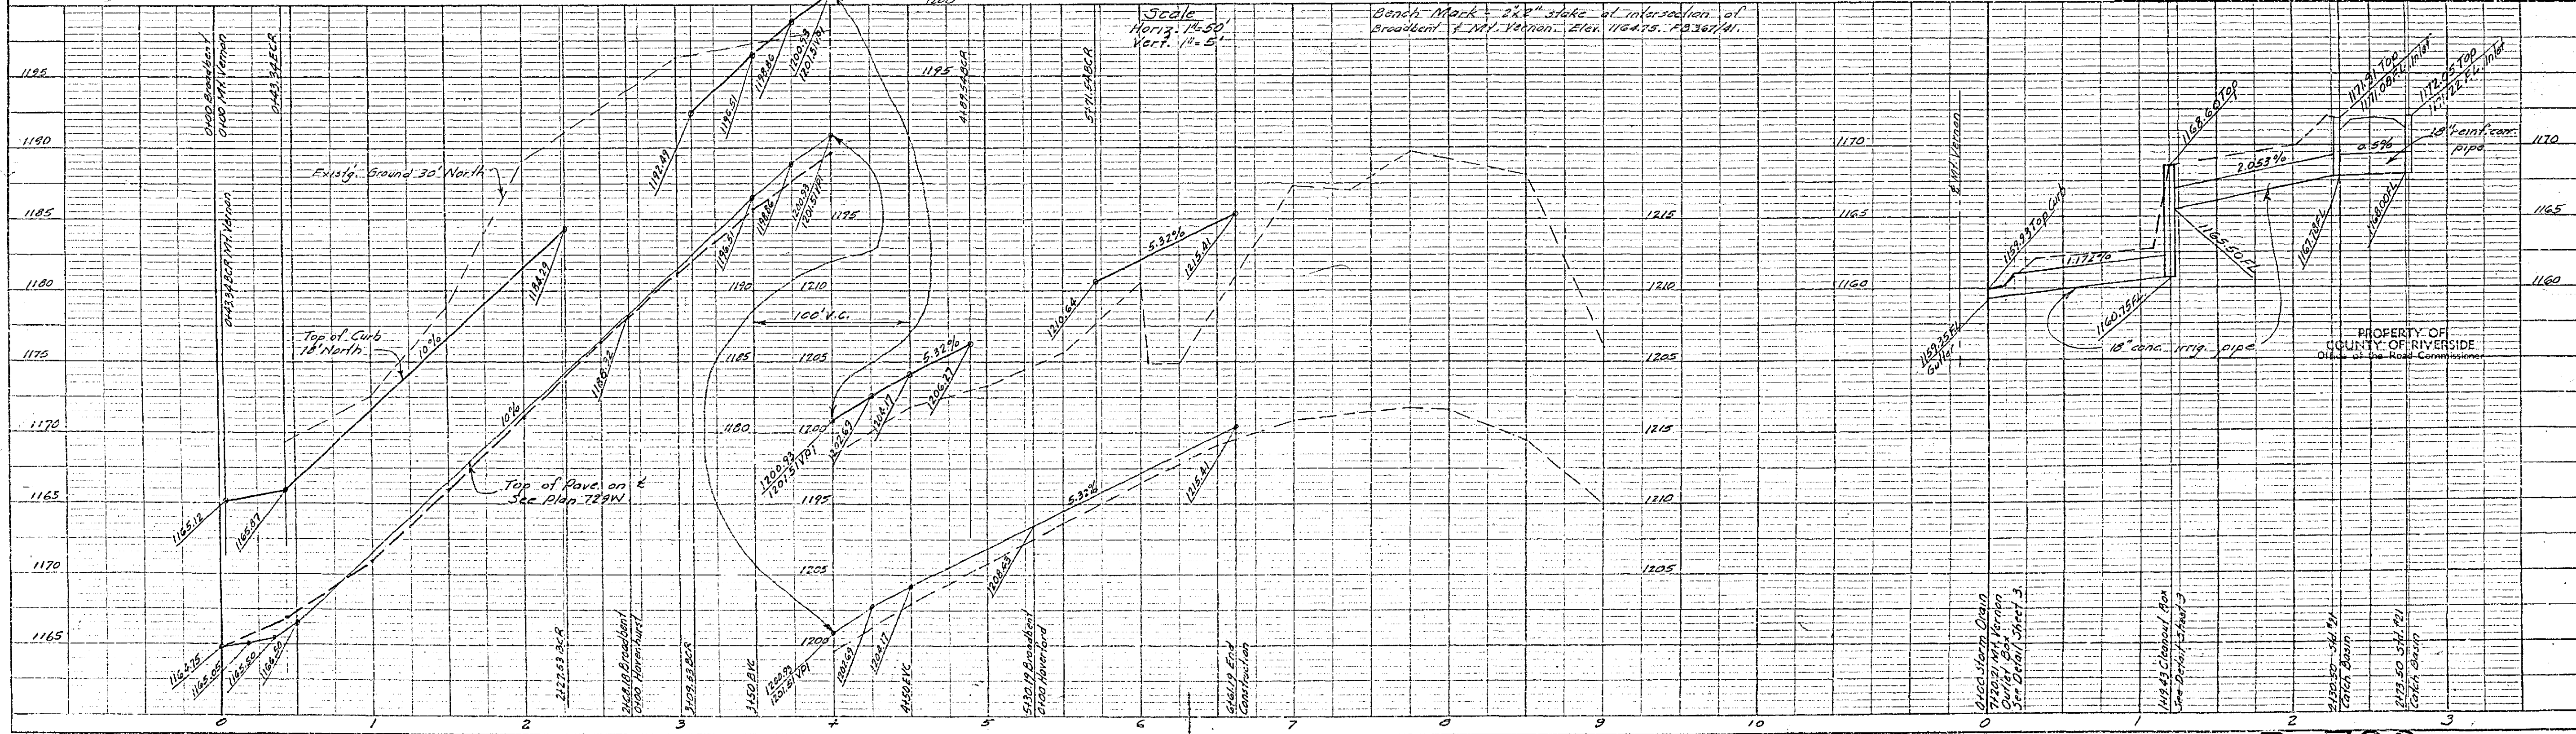

Approved June 17, 1960
 A. C. KEITH
 Riverside County Road Commissioner
 By Charles Stewart Deputy

"Approval of these plans by the Riverside County Road Commissioner does not relieve the Engineer of the responsibility for the Engineering design."
