OWNERSHIP

We hereby certify that we are the owners of or have some right, title or interest in the land included within the subdivision shown hereon; that we are the only persons whose consent is necessary to pass a clear title to said land; that we consent to the making and recording of said map and subdivision as shown within the colored border line and that we hereby offer for dedication for public use for street purposes Lots A to B inclusive and for the construction and maintenance of all public utilities the easements designated as "5' P.U.E.", "10' P.U.E." and "25' X 5' P.U.E." While Chicago Avenue remains a public highway, and for such time only, we abandon all easements of vehicular and pedestrian ingress and egress to said Chicago Avenue so that the owners of lots abutting this highway during such time will have no rights of access whatever in the highway as such except the general easement of travel which belongs to the whole public. If any change of alignment or width of such highway results in the vacation of any part thereof, such vacation terminates the above dedication as to the part vacated. We also offer for dedication to the City of Riverside the "SLOPE EASEMENT".
