Police Arrests Two And Recover Two Stolen Vehicles

RIVERSIDE, CA – On July 1, 2010, a paper delivery person was stocking papers at a gas station at the corner of Van Buren Blvd. and Arlington Ave. He left his vehicle running while he entered the gas station. A short time later he discovered his vehicle along with keys to a second vehicle was stolen. Later in the day the victim returned to his residence in Grand Terrace to discover a second vehicle had been stolen from his driveway.

On July 13, 2010, Riverside Police Patrol Officers responded to the 3800 block of New Haven Drive reference a possible occupied stolen vehicle. Officers located the vehicle and through investigation, arrested Devin Ian Gibbons, a 36 year old Riverside resident.

Detectives from the Riverside Police Department responded to assist Patrol Officers with the investigation. Information was developed regarding the possible location of the second stolen vehicle. Surveillance was conducted in the 4100 block of Edgewood Place in Riverside in an attempt to locate the stolen vehicle. During the surveillance the second stolen vehicle was located and a male subject later identified as Bret Michael Crumley, a 28 year old Riverside resident, was seen moving items between the stolen vehicle and a residential garage. Mr. Crumley was contacted by Detectives and arrested at the scene. Evidence recovered during the subsequent investigation indicates both subjects may be part of an organized auto theft ring.

Both subjects were booked into the Robert Presley Detention Center for Possession of Stolen Property and Grand Theft Auto. Both vehicles were recovered and returned to the owner.

The investigation is ongoing and anyone with information is asked to contact Detective Terry Ellefson of the Riverside Police Department (951) 353-7952.
