### **Riverside Police Apprehend School Burglars**

Riverside, CA -- On Thursday, December 2, 2010, at approximately 12:51 am, officers from the Field Operations Division responded to a silent alarm activation at Pachappa Hill Elementary School located at 6200 Riverside Ave.

One of the officers had observed a vehicle near the school and was able to obtain the license plate before it left the area. The vehicle was reported as stolen and that information was broadcast for other officers in the city.

Officers found a broken window in one of the classrooms and conducted a search of the classroom locating an adult male hiding inside. He was found in possession of burglary tools and property belonging to the school. He was arrested without incident. A window in the office had also been broken but entry was not made.

A short time later, a Riverside police officer located the stolen vehicle that had left the area of the school. It was occupied by an adult female. She was arrested without incident in a parking lot at Mary and Indiana.

Both suspects were transported to the Orange St station where they were interviewed by officers and later booked for a variety of criminal violations including conspiracy, burglary, possession of stolen property, possession of burglary tools and possession of a concealed dangerous weapon.

Anyone with additional information is encouraged to contact the Police Department at 951-787-7911.
