### **Strategic Plan Survey Deadline Approaching**

Riverside, CA -- In November 2009, the Riverside Police Department released a Strategic Plan Survey to measure community satisfaction and provide input into the prioritization of police resources that community stakeholders believe are important for the department's five year 2010-2015 Strategic Plan. The deadline to offer input into the department's Strategic Plan is fast approaching!

The survey will be available on the Riverside Police Department's webpage until January 31, 2010. This survey can be accessed at [www.RPDOnline.org](http://www.RPDOnline.org). Copies of the survey are also available to those persons who do not have computer access. These copies can be obtained at the front counter of any Riverside Police Department station.

The Riverside Police Department is committed to strengthening our relationship with the community and to better respond to the needs of our residents. The department welcomes community input to enhance the department's vision for service excellence for the next five years. Questions about the survey can be directed to Administrative Analyst Traci Dose at (951) 826-5759 or Sergeant Jaybee Brennan at (951) 826-5900.
