### **Gun Shot Victims Lead To Homicide Investigation**

Riverside, CA – On Sunday December 14, 2008 at 12:02 a.m. officers from the Riverside Police Department responded to the 1800 block of Enterprise Avenue after receiving reports of a shooting in the area.

Upon the officers' arrival two Hispanic males were found in the driveway of a residence, suffering from gunshot wounds to the upper torso. One victim was pronounced dead at the scene by emergency medical personnel, and the second victim was transported to Riverside Community Hospital where he was pronounced deceased a short time later. The victims' identities are not being released at this time.

Based on witness statements it appears that the two victims were attending a party at the location and were confronted in the driveway by an unknown suspect who was not a guest at the party. During the contact the unknown suspect fired several rounds from a handgun striking both victims. The suspect fled the scene after the shooting.

Homicide Investigators responded to the scene and were assisted in their investigation by personnel from the Forensic Units. The investigation is ongoing and there is no additional information available at this time.
