Riverside Community Services Foundation to Host 2nd Annual Gala Thursday

Proceeds support youth scholarships and other projects in the city

RIVERSIDE, Calif. – The Riverside Community Services Foundation (RCSF) will hold its 2nd Annual Gala on Thursday (4/24) at the home of former Riverside City Councilmember Chris and Jolyn MacArthur.

This year's theme, **S.T.E.A.M. Punk**, celebrates Science, Technology, Engineering, Arts, and Math – all while raising critical funds for community programs that impact more than 70 percent of Riverside's population.

Proceeds from the Gala will support:

- Youth scholarships
- Senior wellness and lifelong learning
- Food security and health equity initiatives
- Transportation access through Riverside Connect
- Citywide cultural and enrichment programming

“This Gala is more than a celebration -- it’s an investment in Riverside’s future,” said Brando Crozier, Riverside Community Services Foundation Vice President. “We invite community members, businesses, and partners to be part of this exciting evening of purpose and connection.”

About Riverside Community Services Foundation:

Riverside Community Services Foundation is dedicated to serving the Riverside community by providing essential support and resources to at-risk youth, families, and seniors. Through youth scholarships, community events, and essential resources, the Foundation aims to create a safe and secure environment for learning and play, fostering a vibrant and thriving Riverside.
