

# Become a NATURE SPOTTER

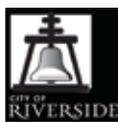

*Recently spotted!  
West Coast Lady butterfly  
Vanessa annabella*

Have you seen a cool looking bug? Do you want to know more about it?  
Need help identifying a plant you've seen at the park? Or, just want to  
share a photo with other Nature Spotters?

**There are 2 ways to become a nature spotter!**

For iPhone users, download the Free Riverside Nature Spotter  
App or send photos to [naturespotter@riversideca.gov](mailto:naturespotter@riversideca.gov)
