Dear Ms. Vails:

Congratulations!

On behalf of Keep Riverside Clean & Beautiful (KRCB), I am delighted to announce that **The Janet Goeske Foundation & Senior Center** has been selected as the **2018 Environmental Steward Award** recipient in recognition of an outstanding example of environmental stewardship with the Streeter Park Turf Conversion and Demonstration Garden, expected to save 1.5 million gallons of water on an annual basis. Nominated by Riverside Public Utilities.

Please join us on **October 18, from 11:30 AM to 1:00 PM at the Riverside Marriott** for KRCB's Community Recognition Luncheon where you will be presented with your award.

Further, as an award recipient you will receive one complimentary reservation to the luncheon and we welcome additional reservations for those who would like to share in the recognition. Reservations are \$45 per person and tables seat eight.

We look forward to hearing from you to confirm your reservation. Please call KRCB at 951-683-7100 Ext. 204 or email pbilbao@riverside-chamber.com.
