Applicant's Signature & Required Documents

I certify that I am the owner(s) or tenant(s) of the real property where the improvements have been installed and that I have not previously received, or applied for, other utility financing or incentives for the improvements on this application. I also certify that the foregoing information is true and correct. I understand and agree that the choice of improvements, the selection of contractors, the purchase of items and acceptance of materials used and work performed and the payments thereof is my responsibility. I understand that I will be fully liable for any damage to person or property that may be caused by the installation and/or operation of the equipment involved. I understand that Riverside Public Utilities does not endorse, recommend, or make any representations as to specific brands, products, contractors, or dealers nor does it guarantee material or workmanship. I further agree to indemnify and hold harmless the City of Riverside, its officers, employees, and agents from any damages related to the use and/or installation of the equipment related to the Residential Electric Vehicle Rebate(s).

Signature of Applicant _____ **Date** _____

Signature of Owner - (If applicant is renter or tenant) _____ **Date** _____
Only required for Level 2 Residential Charger Rebate

Attach ALL Required Documents applicable to the rebate(s) you are applying for.

USED EV Rebate

Required Documents for Eligibility:

- Copy of Purchase or Lease Agreement of USED electric vehicle/plug-in hybrid vehicle
- Copy of current CA DMV Registration

Level 2 Residential Charger Rebate

Required Documents for Eligibility:

- A photo of the installed EV charger.
- Copy of the Building/Electrical Inspection sign off provided by the Riverside Building Inspector after the charging station has been installed and inspected.
- A photo of the serial number on the Level 2 charger installed.
- Copy of all charging station purchase and installation receipts.

***Maximum of one (1) EV Used Rebate and/or (1) Level 2 Residential Charger Rebate per household every three (3) years.**

Additional program guidelines can be found at RiversidePublicUtilities.com/residents/ev.asp.

Failure to provide complete customer information, signature(s), or provide copies of required documents may result in application denial. Please allow 6-8 weeks for processing.

Qualified Rebates under $500 will appear as a credit on the RPU billing statement. Qualified rebates over $500, a check will be mailed to the customer address of record. Customer account must be in good standing for a rebate check to be processed in lieu of a bill credit. If customer account is past due, only a credit for the rebate amount will be processed and applied to the active RPU electric customer account applicable.
